

HD TOUGH SLEEVE

Tough Sleeves are the ideal solution for day-to-day business operations. Quick charging is a built in feature facilitated by the Sliding Power Block. All in one custom fitted solution preventing you from needing another protective case. Made in Sweden from high-grade ABS and acetal plastics. Bumpers on the inner wall will reduce vibration and help protect the tablet if dropped. Compatible with 12 and 24-volt systems, the Tough Sleeve can be easily moved from vehicle to vehicle or vehicle to office.
