Zebra Certified Supplies

Printing supplies can impact everything from printhead lifespan to operational efficiency. That is why at Zebra we produce our own line of thermal printing supplies to ensure consistent, optimized performance in Zebra printers. With Zebra Certified Supplies, customers get exceptional service, thermal printing expertise and consistent outstanding quality.

Unmatched thermal printing expertise
More than 30 years of experience in producing products of exceptional quality.

Exceptional service
Zebra has the scale and infrastructure to meet your printing supply needs quickly and effectively.

Consistently outstanding quality
We subject every item to rigorous testing, ensuring premium craftsmanship and durability.

Increased efficiency and productivity
Because our printing supplies are so consistent, workers experience fewer hassles and require less IT assistance, reducing downtime.

Lower total cost of ownership
Wear and tear is reduced, and the need to reprint and replace labels due to poor quality is virtually eliminated.

Flexibility and convenience
Customize products to meet your unique needs, or get hundreds of in-stock products quickly with our ZipShip℠ service.
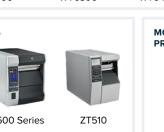

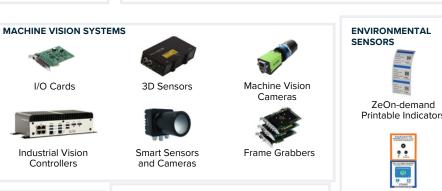

---

1. Service availability, Service feature and/or repair turn-around time may differ by country. Please contact your Zebra sales representative for details.

Zebra Product Portfolio

Essentials = Good | **Select** = Better | **Premier** = Best

Fixed Industrial Scanners

Fixed Industrial Scanners
- Basic to advanced track-and-trace, code reading, presence/absence
- IP65 and IP67 ratings
- High-resolution image sensors (1 MP to 5.1 MP)

Machine Vision Systems

Smart Sensors and Cameras
- High-resolution CMOS image sensors (2 MP to 16 MP)
- Powerful on-device processing
- IP65 and IP67 ratings
- Select models support traditional machine vision and deep learning inference

Frame Grabbers
- CoaXPress, Camera Link, GigE Vision interfacing
- Expansion capabilities for scalable setups
- Optimized for high-speed and multi-camera applications
- Select models support deep learning training and inference

Industrial Vision Controllers
- Desktop-level performance
- Expansion capabilities for scalable setups
- Optimized for high-speed and multi-camera applications
- Select models support deep learning training and inference

I/O Cards
- Real-time synchronization with 16 discrete digital I/Os
- Optical isolation and resettable fuses

3D Sensors
- Cutting-edge, high-speed 3D imaging
- Dual- and single-camera models
- Configurable FoV and multi-sensor synchronization

Machine Vison Cameras
- High-resolution CMOS image sensors (2.3 MP to 12.3 MP)
- GigE Vision interfacing
- Industrial grade shock and vibration ratings

Zebra Robotics Automation

Zebra Autonomous Mobile Robots

Flex Series
- Supports item and batch picking
- Dynamic LED lighting improves pick accuracy
- Adjustable shelves accommodate totes, bins and boxes
- Integrates with existing WES and WMS installations
- Highly configurable picker interface

Shelf
- All-in-one material transport
- Set up and use in hours, redeploy easily
- Ideal for small and medium payloads
- Configurable shelving for bin, tote and package sizes
- Built-in, easily configured touchscreen

Connect
- Integrates into existing manual cart workflows
- Flexible cart options support a wide range of workflows
- Maximum robot utilization by decoupling robots from carts
- Triggered through handheld devices or fully configured schedules

Roller Series
- Automate loading and unloading of totes/bins from conveyors or ASRSs
- Flexibly extend existing conveyor workflows
- Automatically trigger induction or deduction via Zebra Symmetry software
- Integrate existing conveyor controls with Zebra Symmetry using optional IoT gateway

Note: Product appearance is subject to change

Environmental Sensors

Ready-To-Use Indicators
- Visual indicators reveal heat or freeze events of temperature-sensitive products—medications, vaccines, food, cosmetics and other
- Single-use self-adhesive indicators and cards capable of dual temperature indicators

ZeOn-demand Printable Indicators
- Easy-to-read environmental indicators on a thermal printable label
- Get printed asset information and barcodes next to a visual sensor that changes color when an excursion occurs

Electronic Sensors
- Wirelessly monitor temperature-sensitive products throughout the supply chain
- Bluetooth® low energy connected data loggers enable the analysis of temperature excursions, so you can act upon them in real time

Interactive Kiosks

KC50
15"–22"
- Android™, Qualcomm 5430, Wi-Fi® 6E
- Flexible modular design: wall, floor, counter or desk
- Universal VESA 75 and 100 mount
- Z-Flex Connectors to add peripherals (LED bar, SE4720 imager and more)
- Payment and Digital Wallets ready
- Conversational self service

TD50
15"
- Companion display to KC50
- Universal VESA 75 and 100 mount
- Single cable connection
- Ball-drop tested
- Full HD bright touch display

CC6000 Interactive Kiosk
Horizontal Model / Vertical Model
10"
- 10 in. proximity-sensing color touchscreen
- Horizontal or vertical mount models plus 2D barcode
- Stereo multi-media and NFC support
- Supports video conferencing with mic and front camera

CC600 Interactive Kiosk
5"
- 5 in. proximity-sensing color touchscreen
- 2D barcode reader
- Multi-media support

Print Engines

ZE500 Series — PREMIER
- Ideal for print-and-apply labeling applications for products, cases and pallets
- Fast and simple maintenance
- RFID capable
- Available in 4 in. and 6 in. print widths

Industrial Printers

ZT111 — ESSENTIALS
- Budget-friendly for medium print volume applications
- Setup is simple with backwards compatibility
- Make the most of wide work areas with a bi-fold door and small footprint

ZT200 Series — ESSENTIALS
- Intuitive ease-of-use reliability
- Simple to set up, manage and secure with Zebra DNA
- RFID capable

ZT400 Series — SELECT
- Performance, versatility and reliability
- Simple to set up, manage and secure with Zebra DNA
- RFID capable
- Available in 4 in. and 6 in. print widths

ZT510 — SELECT
- 105SLPlus for more functionality
- Cost-effective industrial printing
- Simple to set up, manage and secure with Zebra DNA

ZT600 Series* — PREMIER
- Advances the Xi Series with more features and performance
- User-friendly, future-ready platform
- Simple to set up, manage and secure with Zebra DNA
- RFID capable
- Available in 4 in. and 6 in. print widths
- *220Xi4 available for wide-format printing

Desktop Printers

ZD200 Series — ESSENTIALS
- Affordability meets high quality
- Reliable printing that's simple to use
- Available in 4 in., direct thermal and thermal transfer

ZD400 Series — SELECT
- Advanced features and ease of use
- Field-installable communication or media handling options
- Simple to set up, manage and secure with Zebra DNA
- Available in 4 in. and 2 in., direct thermal and thermal transfer
- Healthcare and ribbon cartridge models available

ZD510-HC — PREMIER
- Automatic calibration means no wasted materials
- Z-Band Wristband Solution to support Healthcare and Hospitality
- Simple to set up, manage and secure with Zebra DNA

ZD600 Series — PREMIER
- Field-installable media and connectivity options
- Simple to set up, manage and secure with Zebra DNA
- Available in 4 in. and 2 in., direct thermal and thermal transfer
- Linerless and healthcare models available

ZD621R/ZD611R — PREMIER
- RAIN RFID capabilities in a desktop printer
- Premium features with field-upgradeable options
- Simple to set up, manage and secure with Zebra DNA
- Available in 4 in. and 2 in., thermal transfer

Mobile Printers

ZQ200 Series* — ESSENTIALS
- Support for multiple print widths using optional media spacers
- Intuitive OLED display
- Convenient USB-C charging
- Use with free ZLabel Designer App to create labels from a handheld mobile device
- *Available in select regions

ZQ300 Plus Series — SELECT
- Two lightweight designs suitable for indoor or outdoor use
- Durable construction with IP54 rating
- Simple to set up, manage and secure with Zebra DNA
- Linerless models available

ZQ500 Series — PREMIER
- Industry's most rugged mobile printer with Mil-Spec certification and IP54 rating
- User-friendly interface that is easy to operate even with gloves
- Simple to set up, manage and secure with Zebra DNA
- RFID capable
- Linerless models available

ZQ600 Plus Series — PREMIER
- Color display
- Wi-Fi 6 option available for faster, more reliable and secure printing
- High capacity PowerPrecision+ battery and Power Smart Print Technology
- Simple to set up, manage and secure with Zebra DNA
- RFID capable
- Linerless and healthcare models available

Card Printers

ZC100 — ESSENTIALS
- Award-winning design for intuitive operation with compact footprint
- Single-sided printing with USB connectivity

ZC300 Series — SELECT
- Award-winning, fits-everywhere design
- Contact and contact-less encoding
- Single- or dual-sided card printing with USB and Ethernet connectivity
- Models available that support specialty ribbons and long-life card printing

ZC10L — PREMIER
- Prints large, oversized cards and badges
- The only portable large-format, direct-to-card printer that can produce full, edge-to-edge cards in one process
- Eliminates wasted stock and inventory hassles

ZXP Series 7 — PREMIER
- High performance process, print up to three jobs at the same time
- Offers numerous options, including UHF RFID encoding and wireless connectivity

Card Supplies

Card Supplies
- Zebra card supplies include high-quality ribbons, blank cards and cleaning kits essential for the efficient operation and maintenance of Zebra card printers, ensuring professional-grade print quality and reliability

Rugged Tablets

ET80/ET85
12"
- Windows
- True laptop replacement with detachable friction-hinge keyboard
- Rugged 1.2 m drop; 1.5 m with rugged boot
- Thinner and lighter than 12 in. 2-in-1s in market
- Wi-Fi 6E (ET80 and ET85)
- 4G/5G (ET85 only)

ET60/ET65
- Android
- Wi-Fi 6E (ET60 and ET65)
- 5G (ET65 only)
- Rugged 1.5 m drop to concrete
- ET60 Freezer version
- Optional integrated advanced range scanning
- Use as a tablet, 2-in-1 or vehicle mount computer

ET60W/ET65W
10"
- Windows
- AI-powered touchscreen and audio with AI-ready processor
- Wi-Fi 7 (ET60W and E T65W)
- 5G (ET65W only)
- Rugged 1.5 m drop to concrete
- Optional integrated advanced range scanning
- Use as a tablet, 2-in-1 or vehicle mount computer

ET40/ET45
- Android
- Wi-Fi 6 (ET40 and ET45)
- 5G (ET45 only)
- Rugged 1.2 m drop; 1.55 m drop with rugged frame
- Thinnest and lightest Zebra tablets
- Optional integrated enterprise-class scanning
- Retail ready with POS and mobile payment options

ET40-HC/ET45-HC
- Android
- Advanced medical grade disinfectant ready plastics
- Rugged 1.2 m drop; 1.55 m drop with rugged frame
- Thinnest and lightest Zebra tablets
- 5G (ET45-HC only)
- Integrated enterprise-class scanning
- Zebra's first dedicated healthcare tablet

ET40/ET45
8"
- Android
- Wi-Fi 6 (ET40 and ET45)
- 5G (ET45 only)
- Rugged 1.2 m drop; 1.55 m drop with rugged frame
- Thinnest and lightest Zebra tablets
- Integrated enterprise-class scanning
- Retail ready with POS and mobile payment options

Vehicle-Mount Computers

VC8300
- Android
- 8 in. or 10 in. models
- Inside the four walls Wi-Fi
- Touchscreen and keypad data entry
  – 8 in. model: integrated alphanumeric keypad with touchscreen
  – 10 in. model: large touchscreen with programmable keys
- Built for extreme environments – Freezer-ready, internal heaters

Wearables

WT6400
- Android
- 6 in. FHD Display
- Wi-Fi 6E
- Integrated keypad
- 13MP angled side camera
- Four versatile mounting options —single: dial, dual dial, Velcro and hip mount
- Bluetooth v5.3

WT5400
- Android
- Large, bright 4.7 in. display
- Wi-Fi 6E
- Integrated keypad
- 13MP angled side camera
- Low profile and improved center of gravity for waring comfortably
- *Next Generation Qualcomm high speed processor
- *Removable standard and extended battery options

WT6300
- Android
- Wearable terminal
- Mounting system for superior comfort, hygiene and safety
- Rugged 4 ft. (1.2 m) drop
- Keypad accessory available

WS50/WS50 RFID
- Android
- All-in-one wearable computer
- Multiple mounting options
- Integrated SE4770 imager
- Short range RFID reader (WS50 RFID)
- Voice ready

HS2100/HS3100
- HS3100: Bluetooth headset
- HS2100: Corded headset
- HD voice
- Rugged 6 ft. (1.8 m) drop

RS6100
- Just over two ounces and two cubic inches
- Capture barcodes in hand and out to 40 ft./12.2 m away
- Use in freezers and coolers
- Operates down to -22° F/-30° C
- IP65 sealing
- Backwards Compatible Accessories with RS5100w

RS5100
- 1D/2D Bluetooth single finger ring scanner
- Small and lightweight
- NFC; Tap to pair
- PRZM Intelligent Imaging with two scan engine options
- Multiple wearing options: single or double trigger, back of hand, lanyard, top trigger
- Rugged 6 ft. (1.8 m) drop

RS2100
- Open palm design for superior grip
- Barely weighs over an ounce/31 grams
- Drop tested to 6 ft./1.8 m to concrete; survives 1,000 1.6 ft./0.5 m tumbles, IP54 sealed
- One charge provides 18+ hours of power and 17,000 scans
- Works with any Bluetooth-enabled Zebra mobile device, consumer smartphone or Windows PC

RS5000x
- SE4770 1D/2D scan engine offers exceptional
- motion tolerance
- Operates down to -22° F (-30° C)
- The freezer trigger uses a finger perch that does not slip or rotate over heavy gloves
- Rugged 4 ft. (1.2 m) drop

RS5000
- 1D/2D corded ring scanner
- Pairs with WT6000
- PRZM Intelligent Imaging
- 2-color (red/green) LED scan status light
- Swivel for tight-and left-hand scanning
- Rugged 4 ft. (1.2 m) drop

RFID Readers

FX7500 Fixed Reader — ESSENTIALS
- The small interior reader, big on speed and accuracy

FXP20 Fixed Reader — ESSENTIALS
- Designed specifically for retail environments
- Compact, consolidated device
- Incorporates both antenna and a reader

FX9600 Fixed Reader — PREMIER
- Top-of-the-line performance for high volume, rugged environments

RFD40 — PREMIER
- Snap-and-go pairing
- 1300+ tag reads per second
- Tool-free changeable adaptors and cradle cups
- Compatible with mobile computers and 3rd party smartphones

RFD90 — PREMIER
- Ultra-rugged design
- Standard and Extended read range
- 1300+ tag reads/sec
- Changeable adaptors and cradle cups
- Compatible with rugged Mobile Computers and 3rd party smartphones

DS9900R Series — PREMIER
- POS UHF RFID 1D/ 2D
- Hybrid handheld/ hands-free
- Touch to 18 in. RF read range

FXR90 — PREMIER
- Extended operating temperature
- IP65/IP67 Sealing
- Integrated Wi-Fi, Bluetooth, 5G, GPS and Personal Cellular (CBRS)
- Optional integrated Antenna

Barcode Scanners

DS2200 Series — ESSENTIALS
- Attractive price point
- First time, every time scanning on essential 1D and 2D barcodes

DS9300 Series — SELECT
- Designed for hands-free scanning; compact enough to be handheld when needed
- Class-leading performance and high performance swipe capability

DS4600 Series — SELECT
- Class-leading performance, large sweet spot and industry-leading decode range

CS60 Series — SELECT
- Groundbreaking design easily converts between corded and cordless operation, handheld and hands-free to adapt to any workflow

DS55 Series — SELECT
- Proven fixed mount scanning performance in a compact, fits anywhere design
- Innovative 3-in-1 mount accessory is a computer mount, wall mount and presentation stand all in one

DS9900 Series — PREMIER
- True hybrid handheld and hands-free flexibility
- Unprecedented performance instantly captures even the most problematic barcodes
- Go beyond the barcode with advanced features and management tools

DS8100 Series — PREMIER
- Unprecedented performance instantly captures problematic barcodes, and offers high performance swipe capability
- Go beyond the barcode with advanced features and management tools

3600 Series — PREMIER
- Ultra-rugged design
- Now available with keypad and color display
- Unprecedented performance instantly captures the most problematic barcodes
- Go beyond the barcode with advanced features and management tools

MP72 — PREMIER
- High throughput POS environments
- Reduces power use and minimizes breakdown and maintenance costs
- Go beyond the barcode with advanced features and PRZM Intelligent Imaging technology
- Upward facing good decode LEDs works with video-based loss prevention systems

SP72 Series — PREMIER
- Best-in-class scan performance with PRZM Intelligent Imaging technology
- Color Camera imaging

Mobile Computers

MC2200/MC2700 — ESSENTIALS
- Android
- Two devices in one: brick and gun
- Wi-Fi and cellular to connect any worker, anywhere
- IP68

HC20/HC25 — ESSENTIALS
- Healthcare
- Android
- 6 in. FHD Display
- SE4720* (not available on HC20/HC25 NA SKUs)
- Wi-Fi 6, 5G
- Dedicated emergency alert button
- Mobility DNA Professional*
- *Mobility DNA Enterprise via License

TC22/TC27 — ESSENTIALS
- Android
- 5G, Wi-Fi 6/6E
- 6 in. display with 450 Nits
- Choice of integrated scanner
- IP68 and 6 ft. drop with boot

TC15*/TN28** — ESSENTIALS
- Qualcomm 2.2 GHz Processor
- 5G and 6.5 in. extra large screen
- High-capacity battery 5,000mAh
- Optimized ergonomics
- *Available in select countries
- **TN28 available in China only

MC3400/MC3450 — SELECT
- Android
- Wi-Fi 6E and 5G
- 2 form factors: straight shooter, gun
- 3 keypad options with larger keys and more space between them
- Camera now available on straight shooter and gun (5MP front facing and 13MP rear facing)
- 4 scan engine options (SE4710 1D/2D, SE4770 1D/2D, SE55 1D/2D Advanced Range, SE58 1D/2D Extended Range)

MC3300ax/MC3300x/MC3300xR — SELECT
- Android
- Wi-Fi 6, Bluetooth 5.1
- 3 form factors: straight shooter, gun
- Short-, mid- or long-range scanning
- 3 keypad options
- Superior UHF RFID read range (MC3300xR)

TC53/TC58 — SELECT
- Android
- 6 in. FHD+ display
- IP68 and IP65
- Wi-Fi 6E, 5G, CBRS (US only)
- 8MP front/16MP rear camera
- Multiple 6 ft./1.8 m drops to concrete with protective boot
- SE55 Advanced Range scan engine with IntelliFocus technology

TC53e/TC58e/TC53e-RFID — SELECT
- Android
- 6 in. FHD+ display
- IP68 and IP65
- Wi-Fi 6E, 5G (second gen), CBRS (US only)
- Integrated short range UHF RFID (TC53e-RFID)
- Secure element
- Flexible scanning options

PS30 — SELECT
- Android
- 4.7 in. bright screen
- Tap to pay ready and tap to unlock
- Advanced sensors, device t r acker

HC50/HC55 — SELECT
- Healthcare
- Android
- 6 in. FHD Display
- IP68 and IP65
- Wi-Fi 6E, 5G
- True Hotswap
- Full Mobility DNA
- Dedicated emergency alert button

EM45 RFID — SELECT
- Android, 5G,
- Wi-Fi 6E
- 6.7 in. bright screen, IP68
- Integrated UHF RFID
- Fastest UHF read range
- 5,000 mAh battery
- Advanced biometrics

EC50/EC55 — SELECT
- Android
- Individually assigned
- Sleek and lightweight
- Integrated scanner
- 5 in. HD screen
- Durable, IP67 and 1.2 m drop

MC9400/MC9450 — PREMIER
- Android
- Wi-Fi 6E and 5G
- 3 models: Standard, Cold Storage, Non-Incendive
- SE58 extended range scanner with IntelliFocus Technology
- 8MP front/16MP rear camera
- Biometric facial recognition authentication

TC8300 — PREMIER
- Android
- 2 models: Standard, DPM
- Ergonomic design keeps the display always in view
- Short-, mid- or long-range scanning
- 13MP rear camera
- Ultra-rugged 2.4 m drop

TC73/TC78 — PREMIER
- Android
- Wi-Fi 6E, 5G, CBRS (US only)
- 8MP front/16MP rear camera
- Multiple 10 ft./ 3 m drops
- 6in. FHD+ display
- SE55 Advanced Range scan engine with IntelliFocus™ technology
- IP65 and IP68
