

What you do matters, and we want to share your story.

RMS Omega Customer Outcomes Program

At RMS Omega we want to celebrate customer success. When you do a testimonial, case study, or video case study with us, we put your company and mission in the spotlight. Our Marketing team will put together customer-focused assets you can use to promote your initiatives, achievements, and goals. Share your story and enjoy free Marketing from our team.

How You Can Share Your Story

Testimonial Or Google Review

A testimonial or Google review is an easy way to let us know how we did. Share your experience and what challenges you have been able to solve. We highly value all customer feedback!

What You Receive:

- A \$25 gift card of your choice.
- Your company logo displayed on our site.
- Exposure to over 10,000 monthly site visitors.

Written Case Study

Our written case studies highlight your business accomplishments and successes from implementing a technology solution. They are an opportunity for you to share how your company is making a positive impact for its customer base.

What You Receive:

- A \$50 gift card of your choice.
- A company spotlight and backlink from our blog and social channels.
- An asset delivered in PDF format that your Marketing team can use.

Video Case Study

A video case study highlights what makes your company special. We will produce a professionally shot, two minute video that showcases your company, free of charge!

What You Receive:

- A two minute company overview video.
- All production costs covered by RMS Omega and our partners.
- Video file that you can use for your own promotions & marketing.
