# RMS OMEGA TECHNOLOGIES

Rethink Mobility:
Datalogic + RMS Omega

Get Premium Data Collection Solutions - Hardware, Accessories, and Services - at a Lower Price Point Than From Other Leading Brands.

Boost performance, streamline processes, and maintain your edge—with the technologies and support services you need, bundled under an affordable monthly rate. RMS Omega and Datalogic deliver enterprise-class mobility solutions at a lower cost than the competition under our **One Solution Starter Plan with Total Support Services.**

DATALOGIC

Why Pay More?
Datalogic's Memor 30 vs Zebra's TC53 & Honeywell's CT47

	Android 18 Support?	Security Update Frequency	Visual Scan Feedback?	Screen Size	Price Rank
DATALOGIC Memor 30	✔️	Monthly for 10 Years	✔️	6-Inch Full HD	1
Zebra TC53	❌	Up to 8 Years	❌	6-Inch Full HD	2
Honeywell CT47	❌	Up to Android 15	❌	5.5-Inch Full HD	3
